PREFACE

The Annual Report 2011-12 is the fourteenth report since its inception. The Annual Report focuses not only the functional activities of the Directorate but also helps to make an assessment of the programmes activities and achievements made by the Directorate during the year under report. It also highlights the likely performance to be made in the years to come. As per the directions of the Administrative Reforms wing, Puducherry new features viz, targets and achievements of the Directorate for year 2011-12, Budgets details and reports on RTI Act are added in this publication.

The publication also presents the selected Socio-Economic indicators pertaining to the Union Territory of Puducherry.

Suggestions if any to improve the publication are most welcome.
