Achievements of DES – 2026

1. Major statistical publications completed

The Directorate has subsequently brought out/updated the following important publications:

- Puducherry at a Glance – 2025
- Statistical Handbook – 2023–24
- Season and Crop Report – 2024–25
- Annual Survey of Industries – 2020–21 & 2021–22
- Census of Government Employees – 2024–25
- Annual Report – 2024–25
- Economic Survey of the U.T. of Puducherry – 2025–26
- Monthly Price Bulletins for 2025 and 2026.

2. Census of Government Employees – 2024–25

A significant new output is the Census of Government Employees 2024–25, published in 2026.

It presents the number of Government employees as on 31 March 2025, including Gazetted and Non-Gazetted employees and department-wise employment details.

3. Agriculture and Crop Statistics

DES completed the Season and Crop Report 2024–25, which is now officially available.

4. Price Statistics

DES has maintained the regular monthly Price Bulletin system. The official website now contains a complete 2025 series covering:

This is an important continuing statistical service for monitoring prices of essential commodities.

5 DES also initiated important methodological work for:

- Annual Survey of Industries for 2020–21 and 2021–22.

The ASI 2020–21 and 2021–22 output is now listed as a new publication on the DES website.

6. As per the direction of Ministry of Statistics and Programme Implementation, Harmonization of Administrative Data has been initiated and Conducted first stakeholders consultative meeting regarding Harmonization of Administrative Data in Puducherry on 19th March, 2026.

7. An initiative meeting with Department of Information Technology and Planning and Research Department, Puducherry on 09th July, 2026 on the outcome of the National Deliberative Summit.
